

Matt Wilsey is Mendocino Transit Authority's New Assistant Mechanic

Welcome Matt Wilsey to MTA's clean-as-a-whistle mechanics shop. A Ukiah resident, he's got the experience we were looking for.

Matt joins a superb crew of mechanics at MTA, several of whom have worked at MTA for their entire careers. They keep the buses running with minimal disruption to schedules and they know our buses inside and out, keeping them humming along Mendocino County roads for hundreds of thousands of miles.
