

Mendocino Transit Authority Welcomes Two New Bus Drivers

Mendocino Transit Authority welcomes two new drivers to our bus service, both with significant experience driving buses and trucks.

Elvira Saldona

Elvira Saldona used to drive buses in San Leandro, CA. She's a Willits mom with three young children and loves to cook and take care of her family when she's not taking care of our customers on her routes.

Matt Smith has lived in Ukiah for 30 years and used to drive fuel trucks all over northern California. He's an avid collector of antique bikes and toys and says his five grandchildren adore his collection. He also is an enthusiastic off-road Jeep driver.
