## PRE-EMPLOYMENT TESTING

### **PREEMPLOYMENT REQUIREMENTS FOR MTA TRANSIT VEHICLE OPERATORS**

*Mendocino Transit Authority must comply with many state and federal regulations related to the safe operation of Transit Vehicles. In an effort to ensure we are compliant with the many rules and regulations related to transporting precious members of our community, the following preemployment testing is required. These tests are not performed until an applicant has received a Conditional Offer of Employment from MTA.*

- DOJ and State of California Background Check and Fingerprinting
- Preemployment Drug Testing
- DOT Physical
- Satisfactory Driving Record (no more than 2 points)
