

Leah Meyer is Mendocino Transit Authority's new dispatcher

Welcome Leah Meyer to MTA's dispatch center. She's a resident of Clearlake Oaks, is excellent with computers, and is studying to earn a certification in court reporting. Leah manages the middle daytime shift.

Leah fills a job opportunity that was created when MTA extended its dispatch hours to 11 p.m. to provide service to passengers who are traveling at night and to drivers who need to be able to report safety issues. MTA now runs its dispatch center from 6 a.m. until 11 p.m. to match bus service hours.
