E. DIRECTOR AND MANAGEMENT REPORTS

1. Matters from Management

Bret Byrd, Maintenance Manager reported that they are very busy in the shop, working on older vehicles, changing motors to extend their use while waiting to replace with electric vehicles.

Mark Harvey, MTA CFO, reported that will be working with Executive Director King to finalize the budget.

Luis Martinez, Operations Manager reported last week route #60 has fully restore the 4 trips. Also for the past 3 weeks MTA started a pilot program for the contactless payment technology with all fixed routes and Dial-A-Ride and he won't know how it is performing until further down the road.

Dawn White, Mobility Manager, reported that the next event is to participate in networking with the community at the Earth Day event in Ukiah, which is on the 22 of April, 2023.

Jacob King, Executive Director reported that he is working on the ITP plan, on the audit with CFO Mark Harvey, budget, and unmet needs for the Transit Productivity Committee who meets next month. King also said an expense report for the grant spending will be available for the May 2023 board meeting.

1. Matters From MCOG

James Sookne from MCOG, MCOG continues with mobility solutions for rural communities, for the inland part of the county and there will be a draft presentation at the MCOG Board meeting to go over some potential solutions and recommendations, which MTA's Board is welcome to join and it will not be a violation of The Brown Act. MCOG is also doing a feasibility study to try to figure out the best location for the new MTA Transit Center here in town, MCOG is doing a survey to get feedback on various locations.

He also mentioned that MCOG will be participating in various pop-up events one of them is coming up on Earth Day.

2. Matters from Directors

Susan Sher, thanked staff for answering her question, and that relates to a bus route that goes on Clara Avenue in downtown Ukiah. Her personal opinion is she's getting a little bit tired of the buses going up and down the street spilling emission and dust, so she was very happy to find out there will be electric buses replacing fuel buses.

Director Albin- Smith, reported that there will be an event in Fort Bragg to celebrate Earth Day April 22, 2023, and there will be a fair. She thought it would be a great idea to have an electric bus there if we had availability.

Director Richard, asked what has happened with the short-range plan because it wasn't discussed at the meeting. Executive Director King responded to Director Richard that they had the kick off meeting last week and will have a report in the next month, A stakeholder meeting will be planned sometime in the next month.

Vice Chair, Tarbel, had a question regarding in person meetings, Executive Director King responded that, that's not going to be in effect until the end of this fiscal year and it will be brought to the board in June for more discussion about the changes for in person meetings for Ukiah, NC and SC. , he also mentioned about lunches in Ukiah or on the coast he wanted to know if that was going to happen again like in the previous years before the pandemic, Executive Director King mentioned that there's funds in the budget for that, so directors can meet in Ukiah or SC for lunch before the meeting. That way it is consistent until June.

F. CLOSED SESSION

Closed session pursuant to Government Code 54957: Public Employee Performance Evaluation – Executive Director

G. ANNOUNCEMENT OUT OF CLOSED SESSION

Vice Chair Tarbell announced no action was taken in closed session. the board requests that in the next meeting there is to be an agenda Item dealing with Executive director salary increase and that it will be a closed session item.

The meeting adjourned at 3:15 p.m.
