### **AGENDA SUMMARY REPORT**

#### SUBJECT:

Discussion and Possible Adoption of Resolution 2024-05 Adopting the MTA Operating Budget for Fiscal Year 2024-2025

### **SUMMARY:**

The Mendocino Council of Governments (MCOG) releases the Local Transportation Funds (LTF) as provided to them by the Mendocino Auditor's Office. The FY2024-2025 estimate was approximately a decrease of 17.8 (approximately \$705,355) of which 15% is provided to the Senior Center Transportation Program.

Here are some assumptions we know:

- ✓ LTF Revenues have decreased.
- √ STA Revenues have decreased from \$1,443,571 in FY2023-2024 to \$1,197,778 in FY2024-2025.
- √ Fare revenues have increased year-over-year as ridership continues to improve.
- ✓ Advertising Revenue is projected to increase.
- ✓ MTA's operating surplus and SB 125 may be used to close the gap in the decreases in funding.

### **STAFF RECOMMENDATION:**

Direct staff to review, approve and adopt Resolution 2024-05 FY 2024/25 Operating Budget

### **AGENDA SUMMARY REPORT**

| SUBJECT:  |
|---|
| Discussion and Possible Approval of the Resolution 2024-06 for MTA Capital Budget for Fiscal Year 2024-2025   |
| SUMMARY:  |
| Presented is the Capital Budget for FY 24/25.   |
| MTA is playing a pivotable role in shaping clean transportation in the state. MTA is transitioning to zero emission buses. We have ordered three electric replacement buses that will be received later this year and four in the next couple of years with funding help from SB-125.   |
| To be able to accommodate the increasing electric fleet, MTA has been working on the electric infrastructure as well as a solar project to save money and reduce dependency on the grid.  |
| There still is some level of uncertainty in the Zero Emission bus landscape according to CALSTART 10 bus manufactures have either gone out of business or have pulled back from the market and only three remain. MTA works closely with California Transit Association (CTA) and California Association for Coordinated Transportation (CalAct) for guidance regarding future vehicle purchases. |
| Local Capital Expenses: Operations, Vehicles, Maintenance, Administration Shelters/Benches are place holders for unexpected capital expenses. We are concerned with the aging Fleet that major component failure is likely and must be accounted for.   |
